

# CHAMPAGNE LOUIS BROCHET LA JACQUESSONNE BLANC DE MEUNIER 2019 BRANSCOURT

## PRODUCTION AREA

Our latest cuvée joining our Signature Collection.  
This is on the village of Branscourt in the Ardre Valley that we  
have selected a very special Pinot Meunier plot “la  
Jacquessonne”, planted at mid-slope in 1966

## THE GRAPES

**Grape variety:** 100 % Pinot Meunier – parcellar selection

## IN THE VINEYARD

For this single varietal, we select our best Pinot Meunier from  
the ‘La Jacquessonne’ parcel.

## IN THE CELLAR

**Vinification:** this cuvée is composed of 2019 wines. It is vinified  
in the most natural way possible, in temperature-controlled vats  
combined with a small passage in oak barrels. The ‘Extra Brut’  
dosage (2 g/l) complements the fullness and delicacy of the  
expression of Pinot Meunier.

**Aging:** after the bottling in April 2020, this cuvée is disgorged after more than 3 years of aging on the lees.

### THE WINE

Perfumed nose smouldering lemon and toast; palate of zesty red fruit, bitter pear, yellow butter and red cherry.

### FOOD-PAIRING

**Food and wine pairing:** to serve on a poultry supreme in sauce.

**On the go:** fish terrine with vegetables
